

PSALM 19 THE BOOK OF PSALMS

- LET'S TALK

What's your favorite thing in nature?

How have you recently seen God's glory displayed (verses 1-4a)?

What things are you tempted to hold as more precious and sweeter than God's word (verse 10)?

What things in your life has God used to bring you refreshment, joy, etc., in ways that point you to Him (verses 7-9)?

Talk about a time in your life (past or present) where you can/could have glorified God in your actions (verses 1-4a).

What would you like to bring before God through prayer?
