Worship Under The Stars

Join us on Saturday,
October 3rd for an evening of
outdoor worship led by the
band 1499. Bring a lawn chair
or a blanket to sit on!

This event is rain or shine!

*As we enter a **season of prayer and fasting**, we are preparing not just our schedules, but our hearts to seek God more deeply and make room for Him to speak, lead, and transform us. Begin preparing your heart now by asking God to reveal what needs to be surrendered, strengthened, or renewed as we seek Him together.*
